**THE GROUP SAYS:** *StringFillies - Xenia Horne harp and voice, Hattie Bennett cello and voice, Emily Bennett violin and voice - formally launched at Folk East 2015 after many years of playing together at different events, in different combinations.*

*We each had a classical training, independently exploring new genres and styles of playing, becoming increasingly delighted with folk and traditional music to the point when we officially joined forces to create a new identity. The combination of harp, cello, violin and voices gives us flexibility to try different arrangements of well known songs and tunes, as well as creating our own interpretations of music from a wealth of cultures.*

**AND CREATIVE ARTS EAST SAYS:** *A local group of fabulous musicians for those who prefer a traditional music event. The performers have a lovely warm rapport with their audiences and introduce and give background information to the pieces they perform.*

**A WELBORNE VILLAGE HALL EVENT IN SUPPORT OF ALL SAINTS CHURCH AND ITS FAWLTY TOWER RENOVATION PROJECT AS WELL AS THE HALL.**
