

Become a *Fawlty* Tower Fixer

Learn More about Traditional Repair Techniques for Historic Buildings at the *FAWLTY* TOWER

All Saints Church, Welborne, Norfolk, NR20 3LH

6th & 7th April 2019, 11.00 am-4.00 pm

13th & 14th April 2019, 11.00 am-4.00 pm

In 2018, we held a series of expert led hands-on sessions for people to learn to joys of repairing old building with traditional techniques.

This was so successful and enjoyable that we are going to repeat the opportunity for new people to become involved, and for our Fawlty Tower Fixers to learn more.

*There is **no charge** for these practical sessions and no prior knowledge or skills are required, only an interest in learning about traditional repair techniques for historic buildings.*

To find out more and to sign up for the sessions.
